*Day Spas are offered Monday through Thursday. Dogs will be kept in Luxury Suites subject to availability. Suites will be assigned on a first-come, first-serve basis. * If a bath, pet-a-cure, or any other service becomes too traumatic for my pet, the resort will not be able to provide that service.

* Pets that become excessively destructive may be moved to a traditional boarding kennel and/or bedding may be removed. Owners will accept financially responsible for any damage their pet may cause. Please be sure to inform Resort staff if your dog is afraid of storms. If your pet has been prescribed medications for thunderstorm, firework or other phobias, please bring that medication with you.

* Pets requiring medication administration during their stay will be charged a per day fee. In the case of an after-hours emergency, pets will be transported to Pet's Emergency at Northwood Animal Hospital for treatment.

* By choosing to have your pets photograph or image sent via email or text message, you agree to waive ownership of any photographic records taken by any staff member of The Animal Hospital and Pet Resort at Southwood and agree to allow the business the use of these images for and in business applications, social media, posters, websites, or other media, without limitation and agree not to make any claim of misappropriation of personality, breach of privacy, or other loss or damages against The Animal Hospital and Pet Resort at Southwood in respect thereof. *New Fecal Policy- We have recently started to require that all boarding pets have a current (within the past 6 months) negative intestinal parasite test. We have instituted this new policy in order to keep your pets and families safe. If you pet does not have a current intestinal parasite test, one will be performed on the day of check in. If the test is positive for parasites, we will treat your pet at your expense (estimate \$15-\$45 depending on size of pet). No exam is required to perform this procedure.
